Clinical Services We Offer

Asgard Dynamics offer a range of clinical services, and pride ourselves on fostering strong relationships with our clients. To find out more about our clinical services, click on the links below.

Please note that we are awaiting approval from the CQC before engaging in any of the below titled activities.

Event Medical Provision

Asgard Dynamics offer event medical provision that goes far above and beyond the legally required standard, ensuring that you receive the right level of medical care for your requirements.

Out of Hours Services

Asgard Dynamics offer a range of out of hours services to help treat patients in their own homes within a reasonable timeframe, alleviating strain on our colleagues in the NHS.

[Primary Care Services](#)

Asgard Dynamics offer primary care services to hospitals and walk in centres, in addition to caring for patients in their own homes. Our clinicians actively seek to alleviate the clinical workloads of our GP and A&E colleagues.

[Resuscitation Officer Services](#)

Asgard Dynamics have a variety of clinicians, the vast majority of whom are fully trained Resuscitation Officers, who can work alongside your own hospital staff in a patient facing capacity to cover sickness and maternity leave.

[Critical Care Services](#)

Asgard Dynamics have over two decades' experience in providing intensive support for patients with life-threatening injuries or illnesses. We offer outstanding critical care facilities for events and to support local ambulance services.

[Message us with your requirements](#)

If you have any questions about the clinical services we provide, don't hesitate to get in touch.
